ADDITIONAL INFORMATION

TAIWAN TAXATION

The following is a summary of certain Taiwan tax consequences with respect to the holders of the Notes, and is prepared based on current laws and regulations of Taiwan. It does not purport to be comprehensive and does not constitute legal or tax advice. Investors (particularly those subject to special tax rules, such as banks, dealers, insurance companies and tax-exempt entities) should consult with their own tax advisers regarding the tax consequences of an investment in the Notes.

Interest on the Notes

As the Issuer of the Notes is not a Taiwanese statutory tax withholder, there is no Taiwanese withholding tax on the interest to be paid by the Issuer on the Notes.

Taiwanese corporate holders must include the interest receivable under the Notes as part of their taxable income and pay income tax at a flat rate of 17 per cent. (unless the total taxable income for a fiscal year is under NT\$120,000), as they are subject to income tax on their worldwide income on an accrual basis. The alternative minimum tax ("AMT") is not applicable.

Sale of the Notes

In general, the sale of corporate bonds or financial bonds is subject to 0.1 per cent. securities transaction tax ("STT") on the transaction price. However, Article 2-1 of the Taiwan Securities Transaction Tax Act prescribes that STT will cease to be levied on the sale of corporate bonds and financial bonds for seven years from 1 January 2010 to 31 December 2016. Therefore, the sale of the Notes will be exempt from STT if the sale is conducted on or before 31 December 2016. Starting from 1 January 2017, any sale of the Notes will be subject to STT at 0.1 per cent. of the transaction price, unless otherwise provided by the tax laws that may be in force at that time.

Capital gains generated from the sale of bonds are exempt from income tax. Accordingly, Taiwanese corporate holders are not subject to income tax on any capital gains generated from the sale of the Notes. However, Taiwanese corporate holders should include the capital gains in calculating their basic income for the purpose of calculating their AMT. If the amount of the AMT exceeds the annual income tax calculated pursuant to the Income Basic Tax Act (also known as the AMT Act), the excess becomes the Taiwanese corporate holders' AMT payable. Capital losses, if any, incurred by such holders could be carried over 5 years to offset against capital gains of same category of income for the purposes of calculating their AMT.

Non-Taiwanese corporate holders with a fixed place of business (e.g., a branch) or a business agent in Taiwan are not subject to income tax on any capital gains generated from the sale of

the Notes. However, their fixed place of business or business agent should include any such capital gains in calculating their basic income for the purpose of calculating AMT.

As to non-Taiwanese corporate holders without a fixed place of business and a business agent in Taiwan, they are not subject to income tax or AMT on any capital gains generated from the sale of the Notes.

TAIWAN SETTLEMENT AND TRADING

Initial subscription of the Notes by investors will be settled directly through Euroclear or Clearstream, Luxembourg. In order to purchase the Notes, an investor must have an account with Euroclear or Clearstream, Luxembourg and settle the Notes through such account with Euroclear or Clearstream, Luxembourg. For any Taiwanese investor having its own account with Euroclear or Clearstream, Luxembourg, the distributions of principal and/or interest for the Notes to such holders will be made to its own account with Euroclear or Clearstream, Luxembourg.

As of the date of this Final Terms, the Issuer has not entered into any settlement agreement with the Taiwan Depository & Clearing Corporation ("TDCC") and has no intention to do so. In the future, if the Issuer enters into a settlement agreement with TDCC, an investor, if it has a securities book-entry account with a Taiwan securities broker and a foreign currency deposit account with a Taiwan bank, may settle the Notes through the account of TDCC with Euroclear or Clearstream, Luxembourg if it applies to TDCC (by filing in a prescribed form) to transfer the Notes in its own account with Euroclear or Clearstream, Luxembourg to such TDCC account with Euroclear or Clearstream, Luxembourg for trading in the domestic market or vice versa for trading in overseas markets. For settlement through TDCC, TDCC will allocate the respective Notes position to the securities book-entry account designated by such investor in Taiwan. The Notes will be traded and settled pursuant to the applicable rules and operating procedures of TDCC and the TPEX as domestic bonds. For such investors who hold their interest in the Notes through an account opened and held by TDCC with Euroclear or Clearstream, Luxembourg, distributions of principal and/or interest for the Notes to such holders may be made by payment services banks whose systems are connected to TDCC to the foreign currency deposit accounts of the holders. Such payment is expected to be made on the second Taiwanese business day following TDCC's receipt of such payment (due to time difference, the payment is expected to be received by TDCC one Taiwanese business day after the distribution date). However, when the holders will actually receive such distributions may vary depending upon the daily operations of the Taiwan banks with which the holder has the foreign currency deposit account.
