董事會

Shareholders of Natixis International Funds (Lux) I (the “**Umbrella Fund**”) are hereby informed of the following main changes to the prospectus of the Umbrella Fund (the “**Prospectus**”).

Capitalised terms used in this notice shall have the meaning given to them in the Prospectus.

CHANGES WITH IMMEDIATE EFFECT:

1. Changes to **Thematics Wellness Fund:**

The Principal Investment Strategy of the Fund will be amended to reflect that, whilst the Thematics Wellness Fund will apply the requirements set out in the revised French ISR Label regime for consistency purposes with all Thematics’ funds range, it has been decided that it would be in the best interest of the Shareholders that the Fund does not benefit from the French SRI label anymore.

The Fund is unconstrained by industry, index, currency, geographical considerations or capitalization size and the Investment Manager aims to invest in companies whose shares are selling below the Investment Manager’s estimate of intrinsic value. ~~The Fund benefits from the French SRI Label.~~

2. Update of the SFDR Annexes of **Thematics AI and Robotics Fund, Thematics Climate Selection Fund, Thematics Health Fund, Thematics Meta Fund, Thematics Safety Fund, Thematics Subscription Economy Fund, Thematics Water Fund and **Thematics Wellness Fund**:**

The SFDR Annexes of these Funds have been updated to align with the enhanced criteria set out in the revised French ISR Label regime, effective as of 1st January 2025. For further details with regard to the changes which have been implemented in the SFDR Annexes of these Funds, Shareholders are invited to refer to the revised version of the SFDR Annexes included in the revised version of the Prospectus.

Irrespective of the changes implemented in the SFDR Annex of Thematics Wellness Fund, this Fund does no longer benefit from the French SRI Label (as indicated above).

The above-mentioned updates/changes will be effective immediately as of the date of release of the revised visa-stamped Prospectus.
